The Honorable William J. Casey Director of Central Intelligence Agency Washington, D.C. 20505

Dear Bill:

I wanted to drop you a note to express my personal appreciation for the outstanding work which your Agency's printing and graphic services performed for my office in publishing the <u>Annual Report of the President on the Trade Agreements Program, 27th edition.</u>

As a result of the excellent presentational quality of the report, our mission of educating the public about the Administration's trade policy was made much easier. The layout and design of the report were lucid and appealing to the reader, while the graphics reinforced the central arguments of the report. My staff reported that the efforts of of the Agency's

Printing and Photography Division were invaluable in producing this report.

Let me reiterate my thanks for a job well done. We know this work could not have been done without your help.

Very truly yours,

WILLIAM E. BROCK
